

Deadline: Friday, 25 June 2021

**Dumfries and Galloway dance are seeking a Technical Manager to work on our outdoor pop-up performance season from July-November 2021.**

**We are seeking someone based in the region who can work closely with our team to ensure that performances are conducted in a safe manner and that equipment is obtained and integrated into outdoor settings.**

### **About**

Dumfries and Galloway is a region built by communities with a strong history of grassroots arts projects. Dumfries and Galloway Dance aims to grow and support the region's dance ecosystem, with a specific focus on ensuring that residents have access to watch dance regularly, creating a clear career route for local young dancers and promoting the brilliant activity that already takes place here.

The project is funded by the Holywood Trust and Creative Scotland's Touring Fund, delivered in partnership with Dance Base.

As a response to COVID, we have adapted our original touring model and will now be touring 5 pieces of short (5-15mins), outdoor work across Dumfries and Galloway from July - November 2021. The works of 5 choreographers will be showcased with 3 dancers who will be based in the region during this time.

The work will be created in a way that responds to outdoor, public settings. We anticipate that audiences will not be ticketed but will happen upon the work, although some performances may be pre-arranged (outside of a school for example).

### **The Basics**

- Fee: £6,600 (equivalent of £550pw x 12 weeks).
- Start date: ASAP
- There will be 5 x 2-week periods where works will be presented, the technical manager is required for all of these weeks.
- The technical manager will be responsible for:
  - Liaising with choreographers to obtain technical information.
  - Obtaining technical equipment (through hire or rental) within given budget.
  - Attending rehearsals and learn appropriate cues.
  - Operating equipment on site (all performances will be low tech).
  - Risk assessing pop-up locations.
  - Driving dancers between pop-up sites.

CULTUREDANCE  
MONGRELTHEATRE

- We are looking to work with someone based in Dumfries & Galloway.
- Must have a valid and clean driver's licence.

If interested, please contact [robyn@culturedmongrel.org](mailto:robyn@culturedmongrel.org) with your CV and a short statement of interest.
